INDUSTRY INTERACTION CELL

Industry Interaction Committee fills the gap between academia and the corporate world through knowledge dissemination from Industry veterans across domains via Leadership Webinars, Conclaves, Summits, Competitions and many more engaging activities throughout the session. Puran Murti College of Law conducts the following activities throughout the academic year:

1. Leadership Seminar Series – A senior leader, an industry veteran/Retd Magistrate shares his/her insights on a particular topic.
2. Annual Conclaves- A panel of speakers share their insights on a particular theme.
 - Horizon – The HR Conclave
 - Strategia – The Strategy and Consulting Conclave
 - Opera – The Operations Conclave
 - Confluence – The Finance and Marketing Conclave
3. Building India Inc.: A Business Summit that provides a platform for exchanging ideas amongst the best corporate, government, and academic minds.

We keep on organizing flagship event that provides a platform for exchanging ideas amongst the best corporate and academic minds. This kind of event or summit attempts to bring together the government, private, corporate, and academia to deliberate on the nation's issues and challenges and share their experiences and views with the larger audience by active participation from top people in the corporate world, faculty from leading institutions, and top school students.

4. Live Projects from industries
